Re: Invitation to Candidates Interested in AIT Two-Stage Master Program in Information Technology - 2006 Intake

Dear Sir/ Madam,

We are pleased to inform you that the Asian Institute of Technology Center in Vietnam is offering the AIT Two-Stage Master Program in Information Technology with three fields of study.

1. Computer Science
2. Information Management
3. Telecommunication

The program will start in August 2006 with two stages:

1. First stage:
   Duration: 10 months (August 2006 - May 2007): First to Second Semesters
   Venue: Ho Chi Minh City

2. Second stage:
   Duration: 12 months (May 2007 to May 2008): Third to Fourth Semesters
   Venue: Asian Institute of Technology (AIT), Bangkok, Thailand

It is my great pleasure to invite you and your organization to nominate qualified candidates to the above program. Interviews of candidates will be conducted in Hanoi and Ho Chi Minh City. Qualified applicants will be granted a 15 credit fellowship to follow the AIT two-stage master program in IT (please refer to the introduction in attached page).

For further information, please contact:
